

simBOlogía • legend

Producto Conforme a la directiva europea de baja tensión, y a la norma EN 60.598
Product conform to low tension european directive, and to norm EN 60.598

Adecuado para el montaje sobre superficies normalmente inflamables.
Suitable for setting up on usually inflammable surfaces.

Protección contra los choques eléctricos por medio de una toma de tierra (clase II).
Protection against electric shock through earth (class II).

Protección clase II contra los choques eléctricos.
Glass II protection against electric shock.

Deposite los residuos en un centro autorizado.
Leave waste in an authorized Recicler.

Distancia mínima a los objetos iluminados.
Minimum distance to lightened objects.

Protección contra los choques eléctricos por muy baja tensión (clase III).
Protection against electric shock through very low tension (class III).

Grado de protección
Protection degree
